

AutoCAD 2012 Update for AutoCAD 2011 Users

AC 212

Course Length	2 days
Schedule	9:00am – 4:00pm
AIA CEUs or PDHs	14
Price	\$745 per person

Prerequisites

This course assumes familiarity with AutoCAD® 2011. Many of the changes covered in this course are based on features that have been included in the recent releases of AutoCAD, such as multifunctional grips, arrays, and 3D tools. Students who are not familiar with the existing features in the software require additional background prior to taking the course.

What you get

Autodesk® Authorized Training Courseware, an industry recognized Autodesk® Authorized Training Center Certificate of Completion, extended telephone support for 90 days, and all the knowledge to bring you to the next level with AutoCAD

Notes

The course length is a guideline. Course topics and duration may be modified by the instructor based upon the knowledge and skill level of the students.

All classes will be taught on the most current release, depending on availability of courseware.

Group rates and on-site training are also available.

Training Center Locations

Watertown, MA
Stoughton, MA

Hauppauge, NY
Dover, NH
