6. Are there any restrictions or special handling for customers with AutoCAD LT 5/10/25-seat multi-packs (formerly known as lab packs)?

Yes, customers with multi-seat packs of AutoCAD LT must crossgrade the same number of seats as their multi-pack (i.e., multi-seat pack licenses may not be split up).

7. Is Autodesk Subscription required to be eligible for this promotion?

No, Autodesk Subscription is recommended, but not required. Some of the eligible crossgrade paths do not have upgrades available (e.g., Revit products), so customers should be encouraged to add Autodesk Subscription at the time of purchase.

8. If I own a multi-year AutoCAD LT subscription contract, does the multi-year subscription get migrated to the new product?

Only the remainder of current year of the contract will be migrated to the crossgraded

product subscription at no additional cost. Additional subscription charges will be applied to the remaining years on the existing contract.

9. What if I want to crossgrade to a network version of AutoCAD or a vertical solution? Are there additional costs?

Customers that want to crossgrade from a standalone AutoCAD LT to a network version (NLM) of AutoCAD or a vertical solution must pay the associated network activation fee for each license.

10. What are the dates of the offer?

The AutoCAD LT Crossgrade Promotion is available for eligible purchase orders submitted from August 17th, 2009*, through October 16th, 2009 for Phase 1 and October 17th through December 30th, 2009 for Phase 2.
